

Venezia.net is pleased to offer to the consumers a detailed and easy to use map of the city.

You can use the map in pdf format on your pocketPC or print it and bring it with you

UNION MAP

The free map of Venice is part of the "Guide of Venice" project, an initiative promoted by Venezia.net in cooperation with a selected group of Venetian touristic and commercial facilities.

The aim of the project is to help tourists on finding accommodation and organizing their holiday. As well as the map you can use our 120 pages guide and follow the classical or the unusual itineraries suggested.
